To complete the summary below, follow the two steps below:

**Step 1:** Look at your answer for each question listed and then put a tally mark under the letter you answered. For example, if you answered A for Question 1 then you will put a tally mark next to E and if you answered B for Question 2 you will put a tally mark next to N.

**Step 2:** The letter that has the most tally marks next to it will be the letter you put on the blank above the letter at the bottom. For example, if you have 3 tally marks next to E and 2 next to I, then at the bottom you will put E on the first blank.
